

OUR
STORY

BOTH A STEP BACK IN TIME AND AN EXPERIENCE OF MODERN STYLE, THE ELIZA JANE connects New Orleans' culture with modern luxury while preserving the dynamic passion of its 19th century roots. Our hotel is inspired by Eliza Jane Nicholson, a poet-turned-heiress and first woman publisher of a major metropolitan newspaper, The Daily Picayune—printed where this hotel now stands.

EXPERIENCE VINTAGE NEW ORLEANS ELEGANCE WITH MODERN CHARM
